## ABOUT US

Founded in 2013, The Kids of The World is a volunteer driven organization that finds and fills the needs of over **500 kids, individuals and families each month.**

**We do this** through mobile hunger relief and medical programs, residential rehabilitation programs for teens and adults, transitional housing for homeless families, foster care intervention programs, job skills training, life skills counseling, basic education, Bible studies and more. We work to meet people where they are at, to bring them hope and a way off the streets.

## ABOUT US

**We're also equipping others to serve.** The Kids of The World's record of success has attracted urban missionaries and Christian leaders from across the U.S. and the world. As they volunteer with us, they gain insight and skills that they can take back to their own communities.

In this way, we will launch **more independent The Kids of The World** nationally, as well as internationally. Many more churches and ministries have become more effective as we teach those who give their time and talent to do what we do. Many who once needed our services also go on to help others.

# Changing Lives

## **Our Mission:**

The Kids Of The World's purpose is to reconnect isolated people to God and a community of support by providing human services that address immediate and long-term needs in the areas of homelessness, hunger relief, medical care and education for the kids.

## **Our Vision:**

We are building a community of resilient people whose lives have been redeemed by God's love. The lives we change are not merely examples of God's power to restore broken lives. The kids, men, women and families we help also go on to share that love with others, to pass on the hope they have been given, and to make transformation possible for others.

## The Kids Of The World Mission Statement

Our goal is simply to provide to Orphanages and people with the means and necessities to empower Orphans and needy through Faith, Education and Health to realize and transform hidden dreams and potentials into realities and success as they grow in their Christian Faith.

Through the support of the partners of The Kids Of The World, together through Love, we are reaching humanity, sharing the gospel and bringing forth new hope in their lives. Together, we are able to feed the hungry, clothes, shelter, and empower neglected children in need throughout the earth.

God has given us a mandate to touch and transform children lives, and together we rise with a “Fire of Passion” to be a catalyst in our generation to make a difference. Join us in our cause.
