**MUNICIPAL CODE
REQUIREMENTS FOR A
CONDITIONAL USE PERMIT:** Pursuant to the HPMC Section 9-4.203, a restaurant with a drive-thru facility is permitted in the C-G Zone provided a Conditional Use (CUP) has been granted by the Planning Commission.

**REQUIRED FINDINGS
FOR A CONDITIONAL
USE PERMIT:** Following a hearing, the Planning Commission shall record its decision in writing and shall recite the findings upon which the decision is based. The Commission may approve and/or modify a CUP application in whole or in part, with or without conditions, only if all of the following findings are made:

1. The proposed use is conditionally permitted within, and would not impair the integrity and character of, the subject zoning district and complies with all of the applicable provisions of this Code;
2. The proposed use is consistent with the General Plan;
3. The approval of the CUP for the proposed use is in compliance with the requirements of the California Environmental Quality Act (CEQA) and the City's Guidelines;
4. The design, location, size, and operating characteristics of the proposed use are compatible with the existing and

planned future land uses within the general area in which the proposed use is to be located and will not create significant noise, traffic, or other conditions or situations that may be objectionable or detrimental to other permitted uses operating nearby or adverse to the public interest, health, safety, convenience, or welfare of the City;

5. The subject site is physically suitable for the type and density/intensity of use being proposed; and
6. There are adequate provisions for public access, water, sanitation, and public utilities and services to ensure that the proposed use would not be detrimental to public health and safety.

**MUNICIPAL CODE
REQUIREMENTS FOR A
DEVELOPMENT PERMIT:**

Pursuant to HMPC Section 9-2.1003, a Development Permit is required when an expansion of an existing structure, affecting or involving a minimum of twenty-five (25) percent of the total gross floor area of the structure is proposed.

**REQUIRED FINDINGS
FOR A DEVELOPMENT
PERMIT:**

Pursuant to HMPC Section 9-2.1007, a Development Permit may be approved only if all of the following findings are made:

1. The proposed development is one permitted within the subject zoning district and complies with all of the applicable provisions of this Code, including prescribed development/site standards;
2. The proposed development is consistent with the General Plan;
3. The proposed development would be harmonious and compatible with existing and planned future developments within the zoning district and general area, as well as with the land uses presently on the subject property;
4. The approval of the Development Permit for the proposed project is in compliance with the requirements

of the California Environmental Quality Act (CEQA) and the City's Guidelines;

5. The subject site is physically suitable for the type and density/intensity of use being proposed;
6. There are adequate provisions for public access, water, sanitation and public utilities and services to ensure that the proposed development would not be detrimental to public health, safety and general welfare; and
7. The design, location, size and operating characteristics of the proposed development would not be detrimental to the public health, safety, or welfare of the City.

**MUNICIPAL CODE
REQUIREMENTS FOR A
MINOR CONDITIONAL
USE PERMIT:**

Pursuant to HMPC Section 9-2.803, a Minor Conditional Use Permit is required when outdoor seating is proposed to be legalized.

**REQUIRED FINDINGS
FOR A MINOR CONDITIONAL
PERMIT:**

Pursuant to HMPC Section 9-2.806, a Minor Conditional Use Permit may be approved only if all of the following findings are made:

1. The proposed use is conditionally permitted within, and would not impair the integrity and character of, the subject zoning district and complies with the purpose/intent of this Code;
2. The proposed use is consistent with the intent of the General Plan;
3. The approval of the Minor Conditional Use Permit for the proposed use is in compliance with the requirements of the California Environmental Quality Act (CEQA) and the City's Guidelines;
4. The design, location, size and operating characteristics of the proposed use are compatible with the existing and planned future land uses within the general area in which the proposed use is to be located and will not create significant noise, traffic, or other conditions or situations

that may be objectionable or detrimental to other permitted uses operating nearby or adverse to the public interest, health, safety, convenience or welfare of the City;

5. The subject site is physically suitable for the type and density/intensity of being proposed; and
6. There are adequate provisions for public access, water, sanitation, and public utilities and services to ensure that the proposed use would not be detrimental to public health and safety.

**ENVIRONMENTAL
REVIEW:**

Categorically Exempt pursuant to Article 19, Class 1, Section 15301 (Existing Facilities) of the California Environmental Quality Act (CEQA) Guidelines.

**PROJECT
BACKGROUND:**

- ***Site Description***

The subject site is located on the southeast corner of Bissell Street and Gage Avenue. It is bordered by commercial uses to the north and east, and by public facilities uses to the west and south. The subject site measures 12,670 square feet and is currently developed with a 1,095 square foot restaurant and parking lot.

- ***Project Proposal***

The Applicant is requesting to legalize an approximate 860 square feet addition to an existing restaurant that was built without planning approval or building permits. Also proposed to be legalized is an office space that measures 180 square feet. The existing restaurant and proposed expansion will measure 2,135 square feet. A Conditional Use Permit is required for the approval of a restaurant with a drive-thru facility. A Development permit is required when 25% of the floor ratio area is affected by an expansion of an existing structure. A Minor Conditional Use Permit is required for the legalization of the unpermitted modifications to the outdoor seating area.

The unpermitted addition will continue to be utilized as both indoor and outdoor seating area for the existing restaurant.

- ***Business Operation***

The existing restaurant, Las Corona Grill, has been in operation since September of 2014. The restaurant provides traditional Mexican cuisine that includes soups, burritos, and tacos. Soft drinks are offered as well. According to the restaurant's official website, they are open Monday through Sunday from 8:00 am to 10:00 pm. The business also provides a delivery service where customers may order online or over the phone.

The restaurant also includes a drive-thru facility, which is located on the easterly portion of the property adjacent to the restaurant. A menu board along with an order speaker are located on the southern portion of the drive-thru. Customers can pick up their orders at the window located on the westerly side of the drive-thru. Vehicles utilizing the drive-thru enter through Bissell Street and exit on Gage Avenue.

**PROJECT
ANALYSIS:**

- ***Floor Plan***

The existing restaurant has 444 square feet of dining area for indoor seating and 650 square feet of outdoor seating. The applicant proposed the legalization of unpermitted additions that includes a total of 860 square feet of seating area. Of the 860 square feet of seating area, 200 square feet is designated for outdoor seating and 660 is for indoor seating. In addition, 180 square feet of office, each 90 square feet designated for restaurant management is to be legalized.

The proposed indoor seating area is located on the northern and easterly side of the restaurant. The kitchen, storage area, and restrooms are located on the westerly and southern portion of the restaurant. The outdoor seating area is located in the northern portion of the restaurant and is comprised of lightweight moveable furniture, which is 2 tables with 4 seats each. The furniture is made of corrosion-resistant aluminum. The indoor seating area located on the easterly side is unpermitted. The unpermitted addition requires the removal of 5 feet in order to comply with the street side yard setback requirement. Per HPMC 9-4.203 Table IV-6, the side setback for the street side requires a

setback of 5 feet. A condition of approval has been included to require modification of the Conditional Use Permit if the seating area is modified or expanded in the future.

- **Off- Street Parking**

Per the HPMC Section 9-3.804, the parking requirement for a restaurant is one parking space for every 400 square feet of non-seating area, one parking space for every 100 square feet of seating area, and one parking space for every 400 square feet of outdoor seating area when outdoor seating area is less than 400 square feet. The required number of parking spaces for the restaurant is 10 spaces. A total of 12 functional parking spaces are provided on the site, which results in a surplus of 2 parking space.

OFF-STREET PARKING CALCULATION FOR SUBJECT SITE		
USE	REQUIRED	PROVIDED
Restaurant Seating Area	$\frac{660 \text{ sf}}{100}$ 6.6	-
Restaurant Non-Seating Area	$\frac{636 \text{ sf}}{400}$ 1.59	-
Restaurant Outdoor Seating Area	$\frac{200 \text{ sf}}{400}$ 0.5	
Total	10	12

Based on the reconfiguration of the drive-thru, the adjacent parking spaces will be removed, due to lack of adequate back up distances for 90 degree angled parking stalls. The 12 parking spaces provided will comply with adequate vehicle circulation and backup space requirements.

- **Conditional Use Permit Findings**

In granting a Conditional Use Permit to allow the expansion of an existing restaurant with the legalization of unpermitted addition and drive-thru facility, the Planning Commission must make findings in connection with the Conditional Use Permit, as set forth in the Huntington Park Municipal Code

(HPMC). A Conditional Use Permit may be approved only if all of the following findings are made:

- 1. The proposed use is conditionally permitted within, and would not impair the integrity and character of, the subject zoning district and complies with all of the applicable provisions of this Code.**

Finding: A restaurant expansion with a drive-thru facility is conditionally permitted within the subject zoning district. The subject zoning district, CG, is intended to provide for general retail, professional office, and service-oriented business activities serving a community-wide need under design standards that ensure compatibility and harmony with adjoining land uses. In addition the proposed project includes conditions of approval that will ensure compliance with the requirements of the HPMC.

- 2. The proposed use is consistent with the General Plan.**

Finding: The proposed project is consistent with the General Plan's Goal 1.0; Policy 1.2 of the Land Use Element that encourages community-oriented retail in Huntington Park while contributing to revitalize Pacific Boulevard as a regional retail destination.

The proposed project is also consistent with Goal 3.0; Policy 3.2 of the Land Use Element of the General Plan by promoting vigorous enforcement of City codes, including building, zoning, and health and safety, to promote property maintenance by providing all new infrastructure to meet development standards in the designated zone. Applicant will provide additional maintenance to the subject property, to prevent the deterioration of the existing building.

- 3. The approval of the Conditional Use Permit for the proposed use is in compliance with the requirements of the California Environmental Quality Act (CEQA) and the City's Guidelines.**

PLANNING COMMISSION AGENDA REPORT

PC CASE NO. 2018-07 CUP/DP/MCUP 3340 Gage Ave.

November 21, 2018

Page 9 of 19

Finding: The proposed addition and drive-thru facility is Categorically Exempt pursuant to Article 19, Class 1, Section 15301 (Existing Facilities) of the California Environmental Quality Act (CEQA) Guidelines.

- 4. The design, location, size and operating characteristics of the proposed use are compatible with the existing and planned future land uses within the general area in which the proposed use is to be located and will not create significant noise, traffic or other conditions or situations that may be objectionable or detrimental to other permitted uses operating nearby or adverse to the public interest, health, safety, convenience or welfare of the City.**

Finding: The subject restaurant has been in business since September of 2014. The design, location, size, and operating characteristics of the existing restaurant with expansion and drive-thru is not expected to be detrimental to the public health, safety and welfare of the City. The proposed request for the expansion of seating area to an existing restaurant is harmonious and compatible with the existing commercial and service uses presently located within the vicinity and zoning district. In addition, conditions of approval have been included that will require the proposed project to provide a vehicle queuing plan to ensure compliance with adequate vehicle circulation and access.

- 5. The subject site is physically suitable for the type and density/intensity of use being proposed;**

Finding: Pursuant to HPMC Parking Standards, the restaurant is required 10 parking spaces. The applicant is proposing to provide 12 parking spaces. The parking spaces provided will provide adequate clearance and back up requirements as to not impede the circulation of vehicles utilizing the drive-thru, as a result, the subject site is compliant to code. In addition, the proposed addition will comply with all building codes.

- 6. There are adequate provisions for public access, water, sanitation and public utilities and services to ensure that the proposed use would not be**

detrimental to public health, safety and general welfare.

Finding: Vehicular and pedestrian access to the site will be provided through Gage Avenue and Bissell Street. The proposed request for an expansion of seating area and drive-thru will not significantly intensify public access, water, sanitation, and public utilities and services. The project will not require changes to existing public utilities. Given that the surrounding area is already completely developed with public access, water, sanitation, and other public utilities, the proposed project would not affect these infrastructures or require any types of modifications. In addition, the proposed project would not impede the accessibility to public access, water, sanitation, or other public utilities and services.

- ***Development Permit Findings***

Pursuant to HMPC Section 9-2.1004, a Development Permit is required when a project proposes an expansion or conversion of an existing structure or use, affecting or involving twenty-five (25) percent of the total gross floor area of the structure. If the expansion or the change of use does not exceed 25% of the existing total gross floor area, then the Director may approve the application; however, pursuant to HPMC 9-2.102, when multiple permit applications are filed concurrently, the highest level of Review Authority shall render the final decision. In this instance, the expansion is also subject to review by the Planning Commission.

In granting a Development Permit, the Planning Commission must make findings in connection with the Development Permit, as set forth in the Huntington Park Municipal Code. Pursuant to HMPC Section 9-2.1007, a Development Permit may be approved only if all of the following findings are made:

- 1. The proposed development is one permitted within the subject zoning district and complies with all of the applicable provisions of this Code, including prescribed development/site standards.**

Finding: A restaurant expansion with a drive-thru facility is conditionally permitted within the subject zoning

district. The subject zoning district, CG, is intended to provide for general retail, professional office, and service-oriented business activities serving a community-wide need under design standards that ensure compatibility and harmony with adjoining land uses. In addition the proposed project includes conditions of approval that will ensure compliance with the requirements of the HPMC.

2. The proposed development is consistent with the General Plan.

Finding: The proposed project is consistent with the General Plan's Goal 1.0; Policy 1.2 of the Land Use Element that encourages community-oriented retail in Huntington Park while contributing to revitalize Pacific Boulevard as a regional retail destination.

The proposed project is also consistent with Goal 3.0; Policy 3.2 of the Land Use Element of the General Plan by promoting vigorous enforcement of City codes, including building, zoning, and health and safety, to promote property maintenance by providing all new infrastructure to meet development standards in the designated zone. Applicant will provide additional maintenance to the subject property, to prevent the deterioration of the existing building.

3. The proposed development would be harmonious and compatible with existing and planned future developments within the zoning district and general area, as well as with the land uses presently on the subject property.

Finding: The subject restaurant has been in business since September of 2014. The design, location, size, and operating characteristics of the existing restaurant with expansion and drive-thru is not expected to be detrimental to the public health, safety and welfare of the City. The proposed request for the expansion of seating area to an existing restaurant is harmonious and compatible with the existing commercial and service uses presently located within the vicinity and zoning district. Additionally, the site has adequate vehicle circulation and access.

- 4. The approval of the Development Permit for the proposed project is in compliance with the requirements of the California Environmental Quality Act (CEQA) and the City's Guidelines.**

Finding: The proposed addition and drive-thru facility is Categorically Exempt pursuant to Article 19, Class 1, Section 15301 (Existing Facilities) of the California Environmental Quality Act (CEQA) Guidelines.

- 5. The subject site is physically suitable for the type and density/intensity of use being proposed.**

Finding: Pursuant to HPMC Parking Standards, the restaurant is required 10 parking spaces. The applicant is proposing to provide 12 parking spaces. The parking spaces provided will provide adequate clearance and back up requirements as to not impede the circulation of vehicles utilizing the drive-thru, as a result, the subject site is compliant to code. In addition, the proposed addition will comply with all building codes.

- 6. There are adequate provisions for public access, water, sanitation and public utilities and services to ensure that the proposed development would not be detrimental to public health, safety and general welfare.**

Finding: Vehicular and pedestrian access to the site will be provided through Gage Avenue and Bissell Street. The proposed request for an expansion of seating area and drive-thru will not significantly intensify public access, water, sanitation, and public utilities and services. The project will not require changes to existing public utilities. Given that the surrounding area is already completely developed with public access, water, sanitation, and other public utilities, the proposed project would not affect these infrastructures or require any types of modifications. In addition, the proposed project would not impede the accessibility to public access, water, sanitation, or other public utilities and services.

- 7. The design, location, size and operating characteristics of the proposed development would**

not be detrimental to the public health, safety, or welfare of the City.

Finding: The subject restaurant has been in business since September of 2014. The design, location, size, and operating characteristics of the existing restaurant with expansion and drive-thru is not expected to be detrimental to the public health, safety and welfare of the City. The proposed request for the expansion of seating area to an existing restaurant is harmonious and compatible with the existing commercial and service uses presently located within the vicinity and zoning district. In addition, conditions of approval have been included that will require the proposed project to provide a vehicle queuing plan to ensure compliance with adequate vehicle circulation and access.

- ***Minor Conditional Use Permit Findings***

Pursuant to HMPC Section 9-2.1004, a Minor Conditional Use Permit is required when a project proposes the legalization of nonpermitted structures and uses in compliance with Chapter 3, Article 6.

In granting a Development Permit, the Planning Commission must make findings in connection with the Development Permit, as set forth in the Huntington Park Municipal Code. Pursuant to HMPC Section 9-2.806, a Minor Conditional Use Permit may be approved only if all of the following findings are made:

- 1. The proposed use is conditionally permitted within, and would not impair the integrity and character of, the subject zoning district and complies with the purpose/intent of this Code.**

Finding: A restaurant expansion with a drive-thru facility is conditionally permitted within the subject zoning district. The subject zoning district, CG, is intended to provide for general retail, professional office, and service-oriented business activities serving a community-wide need under design standards that ensure compatibility and harmony with adjoining land uses. In addition the proposed project includes conditions of

approval that will ensure compliance with the requirements of the HPMC.

2. The proposed development is consistent with the General Plan.

Finding: The proposed project is consistent with the General Plan's Goal 1.0; Policy 1.2 of the Land Use Element that encourages community-oriented retail in Huntington Park while contributing to revitalize Pacific Boulevard as a regional retail destination.

The proposed project is also consistent with Goal 3.0; Policy 3.2 of the Land Use Element of the General Plan by promoting vigorous enforcement of City codes, including building, zoning, and health and safety, to promote property maintenance by providing all new infrastructure to meet development standards in the designated zone. Applicant will provide additional maintenance to the subject property, to prevent the deterioration of the existing building.

3. The approval of the Minor Conditional Use Permit for the proposed use is in compliance with the requirements of the California Environmental Quality Act (CEQA) and the City's Guidelines.

Finding: The proposed addition and drive-thru facility is Categorically Exempt pursuant to Article 19, Class 1, Section 15301 (Existing Facilities) of the California Environmental Quality Act (CEQA) Guidelines.

4. The design, location, size and operating characteristics of the proposed use are compatible with the existing and planned future land uses within the general area in which the proposed use is to be located and will not create significant noise, traffic or other conditions or situations that may be objectionable or detrimental to other permitted uses operating nearby or adverse to the public interest, health, safety, convenience or welfare of the City.

Finding: The subject restaurant has been in business since September of 2014. The design, location, size, and operating characteristics of the existing restaurant with

expansion and drive-thru is not expected to be detrimental to the public health, safety and welfare of the City. The proposed request for the expansion of seating area to an existing restaurant is harmonious and compatible with the existing commercial and service uses presently located within the vicinity and zoning district. In addition, conditions of approval have been included that will require the proposed project to provide a vehicle queuing plan to ensure compliance with adequate vehicle circulation and access.

5. The subject site is physically suitable for the type and density/intensity of use being proposed.

Finding: Pursuant to HPMC Parking Standards, the restaurant is required 10 parking spaces. The applicant is proposing to provide 12 parking spaces. The parking spaces provided will provide adequate clearance and back up requirements as to not impede the circulation of vehicles utilizing the drive-thru, as a result, the subject site is compliant to code. In addition, the proposed addition will comply with all building codes.

6. There are adequate provisions for public access, water, sanitation and public utilities and services to ensure that the proposed development would not be detrimental to public health, safety and general welfare.

Finding: Vehicular and pedestrian access to the site will be provided through Gage Avenue and Bissell Street. The proposed request for an expansion of seating area and drive-thru will not significantly intensify public access, water, sanitation, and public utilities and services. The project will not require changes to existing public utilities. Given that the surrounding area is already completely developed with public access, water, sanitation, and other public utilities, the proposed project would not affect these infrastructures or require any types of modifications. In addition, the proposed project would not impede the accessibility to public access, water, sanitation, or other public utilities and services.

Based on the above analysis, staff has determined that with the recommended conditions of approval, the Applicant's proposed project satisfies all of the required findings for approval of a Conditional Use Permit, a Development Permit, and a Minor Conditional Use Permit. Therefore, staff recommends approval of the Applicants' request to expand an existing restaurant with the legalization of unpermitted additions and a drive-thru facility, subject to conditions, at 3340 Gage Avenue.

RECOMMENDATION:

Based on the evidence presented, it is the recommendation of Planning Division Staff that the Planning Commission adopt the Categorical Exemption, make the required findings and requirements set forth in the Huntington Park Municipal Code, and **adopt PC Resolution No. 2018-07 CUP/DP/MCUP**, subject to the following proposed conditions of approval and/or other conditions that the Planning Commission may wish to impose.

CONDITIONS OF APPROVAL:

PLANNING

1. That the property owner and Applicant shall indemnify, protect, hold harmless and defend the City and any agency or instrumentality thereof, its officers, employees and agents from all claims, actions, or proceedings against the City to attack, set aside, void, annul, or seek damages arising out of an approval of the City, or any agency or commission thereof, concerning this project. City shall promptly notify both the property owner and Applicant of any claim, action, or proceeding to which this condition is applicable. The City shall cooperate in the defense of the action, while reserving its right to act as it deems to be in the best interest of the City and the public. The property owner and Applicant shall defend, indemnify and hold harmless the City for all costs and fees incurred in additional investigation or study, or for supplementing or revising any document, including, without limitation, environmental documents. If the City's legal counsel is required to enforce any condition of approval, the Applicant shall pay for all costs of enforcement, including legal fees.
2. Except as set forth in subsequent conditions, all-inclusive, and subject to department corrections and conditions, the property shall be developed substantially in accordance with the applications, environmental assessment, and plans submitted.
3. That the proposed use shall comply with all applicable City, County, State and Federal codes, laws, rules, and regulations, including Health, Building and Safety, Fire, Sign, Zoning, and Business License.

4. That the use be conducted, and the property be maintained, in a clean, neat, quiet, and orderly manner at all times and comply with the property maintenance standards as set forth in Section 9-3.103.18 and Title 8, Chapter 9 of the Huntington Park Municipal Code.
5. That the business be operated in compliance with the City of Huntington Park Noise Ordinance.
6. That any existing and/or future graffiti, as defined by Huntington Park Municipal Code Section 5-27.02(d), shall be diligently removed within a reasonable time period.
7. That the operator shall obtain/amend its City of Huntington Park Business License prior to commencing business operations.
8. That if the business ceases to operate as a bona fide public eating establishment (restaurant) as defined under the Huntington Park Municipal Code Section 9-4.203(2)(A)(1), then the entitlement shall be null and void.
9. No alcohol shall be served, consumed, or taken into restaurant.
10. Pick-up windows, order areas, drive-thru aisles, any outdoor seating area shall be oriented so as to minimize potential noise impacts to adjacent residential zoning districts/uses.
11. Site plan shall be revised to identify the location of the menu board and order speaker.
12. The max number of outdoor tables and seats shall not exceed 2 tables and 8 seats as shown in the floor plan dated November 11, 2018. All outdoor furniture shall be stored inside the restaurant at the close of each business day.
13. No outside vending machines shall be allowed on the exterior of the building.
14. No outside food preparation shall be permitted on the subject site.
15. No outside display shall be permitted.
16. No payphones shall be allowed on the subject property.
17. The applicant shall submit a vehicle queuing plan to ensure compliance with adequate vehicle circulation and access for the drive –thru and parking.
18. That if any signs are proposed, such signs shall be installed in compliance with the City's sign regulations and that approval be obtained through a Sign Design Review prior to installation and that any existing non-permitted signs either apply for proper permits or be removed.

That all existing and/or proposed mechanical equipment and appurtenances, including satellite dishes, gutters etc., whether located on the rooftop, ground level or anywhere on the property shall be completely shielded/enclosed so as not to be visible from any public street and/or adjacent properties. Such shielding/enclosure of facilities shall be of compatible design related to the building structure for which such facilities are intended to serve and shall be installed prior to the commencement of alcohol sales.
20. That any proposed on-site utilities, including electrical and telephone, be installed underground and be completely concealed from public view as required by the Planning Division prior to the commencement of alcohol sales.
21. All unpermitted signs, including electronic signs, should be removed from the subject site.
22. That the Applicants comply with all of the provisions of Title 7, Chapter 9 of the Huntington Park Municipal Code relating to Storm Water Management. The Applicants shall also comply with all requirements of the National Pollutant Discharge Elimination System (NPDES), Model Programs, developed by the County of Los Angeles Regional Water Quality Board. This includes compliance with the City's Low Impact Development (LID) requirements.
23. That this entitlement shall be subject to review for compliance with conditions of the issuance at such intervals as the City Planning Commission shall deem appropriate.
24. That the violation of any of the conditions of this entitlement may result in a citation(s) and/or the revocation of the entitlement.
25. That this entitlement may be subject to additional conditions after its original issuance. Such conditions shall be imposed by the City Planning Commission as deemed appropriate to address problems of land use compatibility, operations, aesthetics, security, noise, safety, crime control, or to promote the general welfare of the City.
26. That the Applicants be required to apply for a new entitlement if any alteration, modification, or expansion would increase the existing floor area of the establishment.
27. That this entitlement shall expire in the event it is not exercised within one (1) year from the date of approval, unless an extension has been granted by the Planning Commission.
28. That if the use ceases to operate for a period of six (6) months the entitlement shall be null and void.
29. That should the operation of this establishment be granted, deemed, conveyed, transferred, or should a change in management or proprietorship occur at any time, this Conditional Use Permit shall be reviewed.

30. The Director of Community Development is authorized to make minor modifications to the approved preliminary plans or any of the conditions if such modifications shall achieve substantially the same results, as would strict compliance with said plans and conditions.
31. That the business owner (Applicants) and property owner agree in writing to the above conditions.

BUILDING AND SAFETY

32. This legalization of the unpermitted construction and the outdoor seating area is subject to the approvals from other departments including and may not be limited to Planning Division, Engineering, Code Enforcement, LA County Health Department & Fire Department.
33. The plans for legalizing the unpermitted construction must be wet stamped and signed by a California registered or civil engineer and shall be in complying with the governing 2016 California Building Codes and LA County Fire Code. The plans shall be supported by any prudent reports and/or calculations (prepared, stamped and signed by a California registered or civil engineer) to justify or validate the designs outlined in the plans.
34. The above-mentioned plans must be submitted to the City for plan checking approval to ensure all building and safety requirements including the requirements for accessibility & parking are met. Then, a permit and certificate of use and occupancies (after inspection is complete and finalized) will be issued for the intended uses.
35. This review shall not be construed as Plan Check Approval due to lack of construction details and calculations.

FIRE DEPARTMENT

36. Submit a completed LACoFD Fire Flow Availability Form #196 (original, wet signature copy), to the County of Los Angeles Fire Prevention Land Development Unit.

4 **NOW, THEREFORE, THE PLANNING COMMISSION OF THE CITY OF**
5 **HUNTINGTON PARK DOES FIND, DETERMINE, RECOMMEND AND RESOLVES AS**
6 **FOLLOWS:**

7 **SECTION 1:** Based on the evidence within staff report and the Environmental
8 Assessment Questionnaire, the Planning Commission adopts the findings in said
9 Questionnaire and determines that the project, as proposed, will have no significant
10 adverse effect on the environment and adopts an Environmental Categorical Exemption
11 (CEQA Guidelines, Section 15332(32), In-Fill Development).

12 **SECTION 2:** The Planning Commission hereby makes the following findings in
13 connection with the proposed Conditional Use Permit:

- 14 **1.** The proposed use is conditionally permitted within, and would not impair the
15 integrity and character of, the subject zoning district and complies with all of the
16 applicable provisions of this Code in that ***a restaurant expansion with a drive-***

22 ***conditions of approval that will ensure compliance with the requirements of***
23 ***the HPMC.***
- 24 **2.** The proposed use is consistent with the General Plan in that ***the proposed project***
25 ***is consistent with the General Plan's Goal 1.0; Policy 1.2 of the Land Use***
26 ***Element that encourages community-oriented retail in Huntington Park while***
27 ***contributing to revitalize Pacific Boulevard as a regional retail destination.***
28 ***The proposed project is also consistent with Goal 3.0; Policy 3.2 of the Land***

1 **Use Element of the General Plan by promoting vigorous enforcement of City**
2 **codes, including building, zoning, and health and safety, to promote property**
3 **maintenance by providing all new infrastructure to meet development**
4 **standards in the designated zone. Applicant will provide additional**
5 **maintenance to the subject property, to prevent the deterioration of the**
6 **existing building.**

7 3. The approval of the Conditional Use Permit for the proposed use is in compliance
8 with the requirements of the California Environmental Quality Act (CEQA) and the
9 City's Guidelines in that ***an environmental assessment has been conducted for***
10 ***this project in compliance with the California Environmental Quality Act***
11 ***(CEQA). The proposed addition and drive-thru facility is Categorically Exempt***
12 ***pursuant to Article 19, Class 1, Section 15301 (Existing Facilities) of the***
13 ***California Environmental Quality Act (CEQA) Guidelines.***

14 4. The design, location, size and operating characteristics of the proposed use are
15 compatible with the existing and planned future land uses within the general area in
16 which the proposed use is to be located and will not create significant noise, traffic
17 or other conditions or situations that may be objectionable or detrimental to other
18 permitted uses operating nearby or adverse to the public interest, health, safety,
19 convenience or welfare of the City in ***the subject restaurant has been in***
20 ***business since September of 2014. The design, location, size, and operating***
21 ***characteristics of the existing restaurant with expansion and drive-thru is not***
22 ***expected to be detrimental to the public health, safety and welfare of the City.***
23 ***The proposed request for the expansion of seating area to an existing***

26 ***addition, conditions of approval have been included that will require the***
27 ***proposed project to provide a vehicle queuing plan to ensure compliance***
28 ***with adequate vehicle circulation and access.***

1 5. The subject site is physically suitable for the type and density/intensity of use being
2 proposed in that ***pursuant to HPMC Parking Standards, the restaurant is***
3 ***required 10 parking spaces. The applicant is proposing to provide 12 parking***
4 ***spaces. The parking spaces provided will provide adequate clearance and***
5 ***back up requirements as to not impede the circulation of vehicles utilizing the***
6 ***drive-thru, as a result, the subject site is compliant to code. In addition, the***
7 ***proposed addition will comply with all building codes.***

8 6. There are adequate provisions for public access, water, sanitation and public
9 utilities and services to ensure that the proposed use would not be detrimental to
10 public health, safety and general welfare in that ***vehicular and pedestrian access***
11 ***to the site will be provided through Gage Avenue and Bissell Street. The***
12 ***proposed request for an expansion of seating area and drive-thru will not***
13 ***significantly intensify public access, water, sanitation, and public utilities and***
14 ***services. The project will not require changes to existing public utilities.***
15 ***Given that the surrounding area is already completely developed with public***
16 ***access, water, sanitation, and other public utilities, the proposed project***
17 ***would not affect these infrastructures or require any types of modifications.***
18 ***In addition, the proposed project would not impede the accessibility to public***
19 ***access, water, sanitation, or other public utilities and services.***

20 **SECTION 3:** The Planning Commission hereby makes the following findings in
21 connection with the proposed Development Permit:

22 1. The proposed development is one permitted within the subject zoning district and
23 complies with all of the applicable provisions of this Code, including prescribed
24 development/site standards in that ***a restaurant expansion with a drive-thru***
25 ***facility is conditionally permitted within the subject zoning district. The***
26 ***subject zoning district, CG, is intended to provide for general retail,***

9 **The proposed project is also consistent with Goal 3.0; Policy 3.2 of the Land**
10 **Use Element of the General Plan by promoting vigorous enforcement of City**
11 **codes, including building, zoning, and health and safety, to promote property**
12 **maintenance by providing all new infrastructure to meet development**
13 **standards in the designated zone. Applicant will provide additional**
14 **maintenance to the subject property, to prevent the deterioration of the**
15 **existing building.**

- 16 3. The proposed development would be harmonious and compatible with existing and
17 planned future developments within the zoning district and general area, as well as
18 with the land uses presently on the subject property in that **the subject restaurant**
19 **has been in business since September of 2014. The design, location, size,**
20 **and operating characteristics of the existing restaurant with expansion and**
21 **drive-thru is not expected to be detrimental to the public health, safety and**
22 **welfare of the City. The proposed request for the expansion of seating area**
23 **to an existing restaurant is harmonious and compatible with the existing**
24 **commercial and service uses presently located within the vicinity and zoning**
25 **district. Additionally, the site has adequate vehicle circulation and access.**

- 26 4. The approval of the Development Permit for the proposed project is in compliance
27 with the requirements of the California Environmental Quality Act (CEQA) and the
28 City's Guidelines in that **an environmental assessment has been conducted for**

1 ***this project in compliance with the California Environmental Quality Act***
2 ***(CEQA). The proposed addition and drive-thru facility is Categorically***
3 ***Exempt pursuant to Article 19, Class 1, Section 15301 (Existing Facilities) of***
4 ***the California Environmental Quality Act (CEQA) Guidelines.***

5 5. The subject site is physically suitable for the type and density/intensity of use being
6 proposed in that ***pursuant to HPMC Parking Standards, the restaurant is***
7 ***required 10 parking spaces. The applicant is proposing to provide 12 parking***
8 ***spaces. The parking spaces provided will provide adequate clearance and***

10 ***the drive-thru, as a result, the subject site is compliant to code. In addition,***
11 ***the proposed addition will comply with all building codes.***

12 6. There are adequate provisions for public access, water, sanitation and public
13 utilities and services to ensure that the proposed development would not be
14 detrimental to public health, safety and general welfare in that ***vehicular and***
15 ***pedestrian access to the site will be provided through Gage Avenue and***
16 ***Bissell Street. The proposed request for an expansion of seating area and***
17 ***drive-thru will not significantly intensify public access, water, sanitation, and***
18 ***public utilities and services. The project will not require changes to existing***
19 ***public utilities. Given that the surrounding area is already completely***
20 ***developed with public access, water, sanitation, and other public utilities, the***
21 ***proposed project would not affect these infrastructures or require any types***
22 ***of modifications. In addition, the proposed project would not impede the***

21 **SECTION 4:** The Planning Commission hereby approves Resolution No. 2018-07
22 CUP/DP, subject to the execution and fulfillment of the following conditions:

23 **PLANNING**

- 24 1. That the property owner and Applicant shall indemnify, protect, hold harmless and
25 defend the City and any agency or instrumentality thereof, its officers, employees and
26 agents from all claims, actions, or proceedings against the City to attack, set aside, void,
27 annul, or seek damages arising out of an approval of the City, or any agency or
28 commission thereof, concerning this project. City shall promptly notify both the property
owner and Applicant of any claim, action, or proceeding to which this condition is
applicable. The City shall cooperate in the defense of the action, while reserving its right
to act as it deems to be in the best interest of the City and the public. The property owner

1 and Applicant shall defend, indemnify and hold harmless the City for all costs and fees
2 incurred in additional investigation or study, or for supplementing or revising any
3 document, including, without limitation, environmental documents. If the City's legal
4 counsel is required to enforce any condition of approval, the Applicant shall pay for all
5 costs of enforcement, including legal fees.

- 6 2. Except as set forth in subsequent conditions, all-inclusive, and subject to department
7 corrections and conditions, the property shall be developed substantially in accordance
8 with the applications, environmental assessment, and plans submitted.
- 9 3. That the proposed use shall comply with all applicable City, County, State and Federal
10 codes, laws, rules, and regulations, including Health, Building and Safety, Fire, Sign,
11 Zoning, and Business License.
- 12 4. That the use be conducted, and the property be maintained, in a clean, neat, quiet, and
13 orderly manner at all times and comply with the property maintenance standards as set
14 forth in Section 9-3.103.18 and Title 8, Chapter 9 of the Huntington Park Municipal Code.
- 15 5. That the business be operated in compliance with the City of Huntington Park Noise
16 Ordinance.
- 17 6. That any existing and/or future graffiti, as defined by Huntington Park Municipal Code
18 Section 5-27.02(d), shall be diligently removed within a reasonable time period.
- 19 7. That the operator shall obtain/amend its City of Huntington Park Business License prior
20 to commencing business operations.
- 21 8. That if the business ceases to operate as a bona fide public eating establishment
22 (restaurant) as defined under the Huntington Park Municipal Code Section 9-
23 4.203(2)(A)(1), then the entitlement shall be null and void.
- 24 9. No alcohol shall be served, consumed, or taken into restaurant.
- 25 10. Pick-up windows, order areas, drive-thru aisles, any outdoor seating area shall be
26 oriented so as to minimize potential noise impacts to adjacent residential zoning
27 districts/uses.
- 28 11. Site plan shall be revised to identify the location of the menu board and order speaker.
12. The max number of outdoor tables and seats shall not exceed 2 tables and 8 seats as
shown in the floor plan dated November 11, 2018. All outdoor furniture shall be stored
inside the restaurant at the close of each business day.
13. No outside vending machines shall be allowed on the exterior of the building.
14. No outside food preparation shall be permitted on the subject site.
15. No outside display shall be permitted.

- 1 16. No payphones shall be allowed on the subject property.
- 2
- 3 17. The applicant shall submit a vehicle queuing plan to ensure compliance with adequate
- 4 vehicle circulation and access for the drive –thru and parking.
- 5
- 6 18. That if any signs are proposed, such signs shall be installed in compliance with the City's
- 7 sign regulations and that approval be obtained through a Sign Design Review prior to
- 8 installation and that any existing non-permitted signs either apply for proper permits or
- 9 be removed.
- 10
- 11 19. That all existing and/or proposed mechanical equipment and appurtenances, including
- 12 satellite dishes, gutters etc., whether located on the rooftop, ground level or anywhere on
- 13 the property shall be completely shielded/enclosed so as not to be visible from any public
- 14 street and/or adjacent properties. Such shielding/enclosure of facilities shall be of
- 15 compatible design related to the building structure for which such facilities are intended
- 16 to serve and shall be installed prior to the commencement of alcohol sales.
- 17
- 18 20. That any proposed on-site utilities, including electrical and telephone, be installed
- 19 underground and be completely concealed from public view as required by the Planning
- 20 Division prior to the commencement of alcohol sales.
- 21
- 22 21. All unpermitted signs, including electronic signs, should be removed from the subject
- 23 site.
- 24
- 25 22. That the Applicants comply with all of the provisions of Title 7, Chapter 9 of the
- 26 Huntington Park Municipal Code relating to Storm Water Management. The Applicants
- 27 shall also comply with all requirements of the National Pollutant Discharge Elimination
- 28 System (NPDES), Model Programs, developed by the County of Los Angeles Regional
- Water Quality Board. This includes compliance with the City's Low Impact Development (LID) requirements.
- 23 23. That this entitlement shall be subject to review for compliance with conditions of the
- 24 issuance at such intervals as the City Planning Commission shall deem appropriate.
- 25
- 26 24. That the violation of any of the conditions of this entitlement may result in a citation(s)
- 27 and/or the revocation of the entitlement.
- 28
- 23 25. That this entitlement may be subject to additional conditions after its original issuance.
- 24 Such conditions shall be imposed by the City Planning Commission as deemed
- 25 appropriate to address problems of land use compatibility, operations, aesthetics,
- 26 security, noise, safety, crime control, or to promote the general welfare of the City.
- 27
- 28 26. That the Applicants be required to apply for a new entitlement if any alteration,
- modification, or expansion would increase the existing floor area of the establishment.

1 27. That this entitlement shall expire in the event it is not exercised within one (1) year from
2 the date of approval, unless an extension has been granted by the Planning
3 Commission.

4 28. That if the use ceases to operate for a period of six (6) months the entitlement shall be
5 null and void.

6 29. That should the operation of this establishment be granted, deemed, conveyed,
7 transferred, or should a change in management or proprietorship occur at any time, this
8 Conditional Use Permit shall be reviewed.

9 30. The Director of Community Development is authorized to make minor modifications to
10 the approved preliminary plans or any of the conditions if such modifications shall
11 achieve substantially the same results, as would strict compliance with said plans and
12 conditions.

13 31. That the business owner (Applicants) and property owner agree in writing to the above
14 conditions.

15 **BUILDING AND SAFETY**

16 32. This legalization of the unpermitted construction and the outdoor seating area is subject
17 to the approvals from other departments including and may not be limited to Planning
18 Division, Engineering, Code Enforcement, LA County Health Department & Fire
19 Department.

20 33. The plans for legalizing the unpermitted construction must be wet stamped and signed
21 by a California registered or civil engineer and shall be in complying with the governing
22 2016 California Building Codes and LA County Fire Code. The plans shall be supported
23 by any prudent reports and/or calculations (prepared, stamped and signed by a
24 California registered or civil engineer) to justify or validate the designs outlined in the
25 plans.

26 34. The above-mentioned plans must be submitted to the City for plan checking approval to
27 ensure all building and safety requirements including the requirements for accessibility &
28 parking are met. Then, a permit and certificate of use and occupancies (after inspection
is complete and finalized) will be issued for the intended uses.

35. This review shall not be construed as Plan Check Approval due to lack of construction
details and calculations.

FIRE DEPARTMENT

36. Submit a completed LACoFD Fire Flow Availability Form #196 (original, wet signature
copy), to the County of Los Angeles Fire Prevention Land Development Unit.

SECTION 5: This resolution shall not become effective until 15 days after the date
of decision rendered by the Planning Commission, unless within that period of time it is

1 appealed to the City Council. The decision of the Planning Commission shall be stayed
2 until final determination of the appeal has been effected by the City Council.

REQUEST

I/We hereby request a Conditional Use Permit (CUP) for the following purpose:
 Approval of a Conditional Use Permit to add the on-sale of beer and wine to an existing 1,700 square foot restaurant located at 3340 Gage Avenue in the C-G (Commercial General) Zone.

In order for the Planning Commission to approve a CUP, the Huntington Park Municipal Code requires that all of the following findings be made:

- A. That the proposed use is conditionally permitted within, and would not impair the integrity and character of, the subject zoning district and complies with all of the applicable provisions of this Code;
- B. That the proposed use is consistent with the General Plan;
- C. That the approval of the Conditional Use Permit for the proposed use is in compliance with the requirements of the California Environmental Quality Act (CEQA) and the City's Guidelines;
- D. That the design, location, size, and operating characteristics of the proposed use are compatible with the existing and planned future land uses within the general area in which the proposed use is to be located and will not create significant noise, traffic, or other conditions or situations that may be objectionable or detrimental to other permitted uses operating nearby or adverse to the public interest, health, safety, convenience, or welfare of the City;
- E. That the subject site is physically suitable for the type and density/intensity of use being proposed; and
- F. That there are adequate provisions for public access, water, sanitation, and public utilities and services to ensure that the proposed use would not be detrimental to public health and safety.

In order for the Planning Commission to determine if these findings are present in your case, the following questions must be answered by the applicant:

1. The site for this proposed use is adequate in size and shape. (Explain)

The site for the proposed on-sale of beer and wine within an existing restaurant is adequate in size and shape. The lot size is 12,670 square feet. The shape of the lot is irregular. The site currently has an approximately 1,700 square foot structure that will be improved to accommodate the proposed use.

2. The site has sufficient access to street and highways that are adequate in width and pavement type to carry the quantity and quality of traffic generated by the proposed use. (Explain)

The site has sufficient access to streets that are adequate to carry the traffic associated to the existing use. The property is located at the SE intersection of Gage Avenue and Bissell Street.

Gage Avenue is considered a primary arterial running east and west through the city. Bissell Street is a two lane residential road that runs north and south through the city.

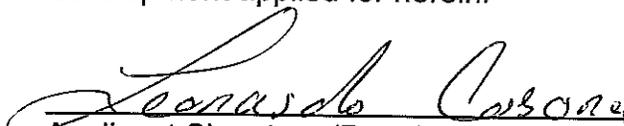

3. The proposed use will not be materially detrimental, nor have an adverse effect upon adjacent uses, buildings, or structures. (Explain)

The existing restaurant with the on-sale of beer and wine will not be materially detrimental, nor have any adverse impacts on surrounding uses or structures. The subject site was originally established as a restaurant and has operated as such continuously since its establishment many years ago. The proposed use will improve the visual appearance of the property and existing building. The existing tenant is also proposing to make several site improvements. The proposed use and improvements are allowed in the C-G zone. Additionally, the proposed use will be compatible with existing uses located in the neighboring vicinity.

4. The proposed Conditional Use Permit will not be in conflict with the General Plan. (Explain)

The proposed use is conditionally permitted within the C-G zone. The proposed project complies with all of the provisions of the General Plan and HPMC. Since the proposed use is for the addition of on-sale beer and wine within an existing restaurant there are no minimum distance requirements to sensitive receptors. Therefore, the use would not be in conflict with the integrity and character with the City's General Plan, nor the subject site's land use and zoning designations.

REQUEST

I/We hereby request a Minor Conditional Use Permit (MCUP) for the following purpose:
 Approval of a Minor Conditional Use Permit to expand a 1,000 square foot existing restaurant by 700 square feet. The property is located at 3340 Gage Avenue in the C-G (Commercial General) Zone, HPMC Section 9-3.612. MCUP FOR PROPOSED OUTDOOR SEATING.

In order for the Community Development Director to approve a MCUP, the Huntington Park Municipal Code requires that all of the following findings be made:

- A. That the proposed use is conditionally permitted within, and would not impair the integrity and character of, the subject zoning district and complies with all of the applicable provisions of this Code;
- B. That the proposed use is consistent with the General Plan;
- C. That the approval of the Minor Conditional Use Permit for the proposed use is in compliance with the requirements of the California Environmental Quality Act (CEQA) and the City's Guidelines;
- D. That the design, location, size, and operating characteristics of the proposed use are compatible with the existing and planned future land uses within the general area in which the proposed use is to be located and will not create significant noise, traffic, or other conditions or situations that may be objectionable or detrimental to other permitted uses operating nearby or adverse to the public interest, health, safety, convenience, or welfare of the City;

MEMORANDUM

DATE: NOVEMBER 21, 2018

TO: CHAIRPERSON AND MEMBERS OF THE PLANNING COMMISSION

ATTN: CARLOS LUIS, SENIOR PLANNER

FROM: DEBRA MARTINEZ, PLANNING TECHNICIAN

RE: **PLANNING COMMISSION CASE NO. 2018-08 – CONDITIONAL USE PERMIT AND DEVELOPMENT PERMIT**

BACKGROUND

On May 31, 2018, the Planning Division received a Conditional Use Permit application and Development Permit application to allow the construction of a new industrial building for art fabrication on a vacant lot.

Subsequently, the item was published in the local newspaper and scheduled for the October 17, 2018 Planning Commission meeting.

During the review process, the Los Angeles County Fire Department did not clear the project for public hearing. In addition, the Fire Department is requiring that the project be redesigned to comply with the Fire Department access requirements.

On November 14, 2018, the property owner submitted his request to withdraw his application for the industrial building for art fabrication. According to the applicant, additional time is necessary in order to address the Fire Department requirements.

The applicant may re-apply for a Conditional Use Permit and Development permit at a later time for the construction of a new industrial building for art fabrication once they obtain Fire Department approval.
