

## **DECLARATION/PROCLAMATION OF LOCAL EMERGENCY**

By virtue of the authority vested in me as City Manager of the City of Huntington Park, serving in the capacity of Director of Emergency Services of the Huntington Park Disaster Council and pursuant to Huntington Park Municipal Code, Chapter 4, Section 4-4.06, I hereby find the following conditions exist:

1. There currently exists within the County of Los Angeles and various neighboring cities in close proximity to the City of Huntington Park widespread arson, looting, assaults, vandalism and rioting. Since May 28, 2020, there also has been similar activities of arson, looting, assaults, vandalism and rioting stemming from public demonstrations in numerous other cities throughout California and across the Country. Such dangerous, reckless and illegal activities have been ongoing in the Los Angeles County region since May 30, 2020. Peaceful demonstrations are essential to our democratic system. However, some individuals have engaged in dangerous, reckless and unlawful activity, threatening the safety of lawful demonstrators, surrounding communities and neighborhoods, police and fire personnel and other first responder workforces.
2. While there are currently no direct activities within the City of Huntington Park, the above regional and County-wide situation and conditions constitute the existence of circumstances of extreme peril to the safety of persons and property within the City of Huntington Park. These conditions, if conducted within the City, are likely to be beyond the control of the services, personnel, equipment and facilities of the City of Huntington Park and require the combined forces of other political subdivisions to combat any dangerous, reckless and/or unlawful activity.

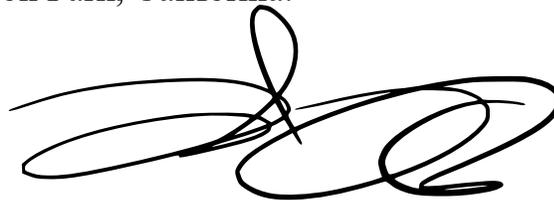

NOW, THEREFORE, I HEREBY DECLARE and proclaim the existence of a local emergency within the City of Huntington Park, which shall take effect immediately, along with Declaration of Curfew Regulations, and that widespread publicity and notice shall be given of such Declarations through the most feasible and adequate means of disseminating notice throughout the City.

## **DECLARATION/PROCLAMATION OF LOCAL EMERGENCY**

I FURTHER DECLARE AND ORDER that during the existence of said local emergency the powers, functions and duties of the emergency organizations of the City of Huntington Park shall be those proscribed by state law and the ordinances, resolutions, laws and procedures of the City of Huntington Park.

I FURTHER REQUEST that the Governor of the State of California declare the City of Huntington Park to be in a State of Emergency.

DATED: May 31, 2020, at Huntington Park, California.
