Finance Department
City Council Agenda Report

REVISED

July 19, 2016

Honorable Mayor and Members of the City Council
City of Huntington Park
6550 Miles Avenue
Huntington Park, CA 90255

Dear Mayor and Members of the City Council:

RESOLUTION AUTHORIZING COLLECTION OF DELINQUENT RUBBISH CHARGES PURSUANT TO SECTION 6-2.112 OF THE CITY OF HUNTINGTON PARK'S MUNICIPAL CODE (172.54 REFUSE COLLECTION FEES)

IT IS RECOMMENDED THAT THE CITY COUNCIL:

1. Conduct a public hearing;
2. Take public testimony; and
3. Adopt Resolution No. 2016-30, authorizing and directing the County Assessor to include delinquent refuse collections fees as a special assessment to be collected at the same time and in the same manner as county taxes (172.54 Refuse Collection Fees).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

United Pacific Waste & Recycling Services ("UPW") is the City's current residential and commercial waste hauler. As required by the City's franchise agreement with UPW and in accordance with Section 6-2.112 of the City of Huntington Park Municipal Code, UPW has provided a list of delinquent residential and commercial accounts for the purpose of debt collection. Collection of delinquent accounts, including all applicable fees and penalties, is accomplished through the Los Angeles County Auditor-Controller's Office via the annual property tax roll.

The Los Angeles County Auditor-Controller's Office requires a City Council resolution to be adopted annually to document the service assessments to be levied upon each real property parcel and to inform the Auditor-Controller of the City's intent to collect

delinquent fees associated with trash accounts via the tax roll. Absent this action, the City would be unable to collect the annual delinquent charges for the given year.

As required by law, the City publicized the public hearing in the June 18th edition of the Long Beach Press Telegram.

UPW representatives will also be present at the July 19th public hearing to provide customers another opportunity to settle delinquent accounts prior to the City's submission to the County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The City's franchise agreement with UPW provides for municipal solid waste and recycling collection, transport and disposal services ("Refuse Disposal Service") to residential and commercial properties in the City. Residential and operating business are required to have Refuse Disposal Service and each property owner of a residential and commercial property is ultimately responsible for the payment of charges for service provided by UPW. In the event that the Refuse Disposal Service charge billed by UPW is not paid, the provisions of California Health and Safety Code Section 5473a and Section 6-2.112 of the City of Huntington Park Municipal Code authorize the City to collect the delinquent Refuse Disposal Service charges from the owners of the residential and commercial properties shown on the property tax roll after notice is given and a public hearing is held by the Huntington Park City Council.

FISCAL IMPACT/FINANCING

Upon receipt of monies from the Los Angeles County Auditor-Collector, the City will remit payment to UPW equal to the actual amount recovered less ten percent (10%), in accordance with Section 6-2.112 of the City of Huntington Park Municipal Code to cover the City's cost in the collection of the delinquent fees. The City will also receive payment of the franchise fee from UPW for the amount of delinquent fees received via the County tax roll.

The accompanying table summarizes the contents of the list of delinquent commercial/residential accounts as of July 19, 2016.
