The goal of the program is to create a positive workplace for collective problem solving within a socio-economic and ethnically diverse environment. Lucas Mora working with the Police Department "I did learn a lot of practical and important things from working with the HUB program but I was also able to learn that sometimes it's not always about the serious lessons and skills if you're not having fun along the way."

Este año, 11 jóvenes trabajadores de HUB Cities se ubicaron entre los departamentos de la Alcaldía, Administración, Recursos Humanos, Finanzas, Secretario Municipal, Parques y Recreación, Desarrollo Comunitario y el Departamento de Policía.
