use issued, adopted, or prescribed by the a public agency or enforcement of law, general rule, standard, or objective, administered or adopted by a public regulatory agency.

BACKGROUND:

• ***November 20, 2019 Planning Commission Meeting***

On November 12, 2019, the Planning Division received a request to continue the hearing from Mr. Armando H. Chavira, legal counsel for the business owner of the Kitty Kat Bar. The request cited additional time necessary in order to obtain all public records for the subject business and other similar businesses within the vicinity. On November 14, 2019, Planning staff informed Mr. Chavira that the request to continue the item would be presented to the Planning Commission for consideration; however, there would be no guarantee that the request to continue would be granted.

On November 20, 2019, Mr. Chavira submitted another request to continue the item via email. Again, the request cited additional time necessary to compile information (i.e. public records) for the revocation hearing. Copies of the email were printed out and presented to Planning Commission on November 20, 2019, with a recommendation from Planning staff to continue the item. The Planning Commission continued the item to a Special Planning Commission Meeting of December 11, 2019.

• ***Pre-Conditional Use Permit Requirement/Approval***

According to Planning files, the subject site has been operating as a cocktail lounge since 1940. The City of Huntington Park incorporated in 1906; however, no Conditional Use Permit (CUP) was on file at the time the cocktail lounge was established. The subject property sustained fire damage in 1988. As a result, the property was closed for approximately three (3) years in order to complete repairs to the damaged structure. The City determined that in order to reopen the cocktail lounge, a CUP was required.

• ***Resolution No. 1404 (CUP No. 1404)***

The subject site was granted a CUP on August 21, 1991, which allowed for the on-sale of general liquor in conjunction with a cocktail lounge on the subject site located at 5728 Santa Fe Avenue. The applicant for CUP Case No. 1404

was Alice M. Michelson. The approval was subject to conditions stipulated in Resolution No. 1404 (Exhibit B).

- ***Resolution No. 1530 (CUP No. 1530)***

On April 7, 1993, the Planning Commission approved CUP Case No. 1530, which allowed for the continued on-sale of general liquor in conjunction with a cocktail lounge on the subject site. The CUP also allowed a transfer of ownership from Alice M. Michelson to Sergio Castro and Jose Barron. The approval was subject to conditions stipulated in Resolution No. 1530 (Exhibit C). It is worth noting that Resolution No. 1530 replaced and superseded Resolution No. 1404.

- ***Transfers of CUP No. 1530 (Resolution No. 1530)***

- On January 9, 1995 and again on February 8, 1995, CUP Case No. 1530 was transferred back to Alice M. Michelson. According to Planning records, the initial transfer dated January 9, 1995 required corrective actions in order to transfer the CUP back to Ms. Michelson. The City followed-up with Ms. Michelson on February 8, 1995 and again identified corrective actions. The file identifies that corrective actions were completed on April 12, 1995. As a result, the operation was allowed to continue on the subject site. The transfer was processed administratively.
- On May 8, 1995, CUP Case No. 1530 was transferred to Mr. Hector Pelayo. The transfer was processed administratively and did not identify the need for any corrective actions.
- On February 14, 2000, CUP Case No. 1530 was transferred to Mr. Custodio Mendez (Exhibit D). The transfer identified corrective actions were necessary in order to complete the transfer. Specifically, corrective actions related to property maintenance (neat, clean, orderly manner) and maintenance of existing landscaping on the property. The CUP transfer also identified a recommendation to secure a ladder at the rear of the building. Although there is no information on file identifying completion of the corrective actions, given the nature of the required actions, it is reasonable to assume that proper actions

were taken in order to comply with the requirements of the CUP transfer.

Since 2000, the subject site has been operated and by Mr. Custodio Mendez as a cocktail lounge with Dance and Entertainment, known as the Kitty Kat Bar.

- ***Department of Alcohol Beverage Control (ABC) Suspensions***

On October 21, 2019, the Huntington Park Police Department (HPPD) informed Planning Staff that the Kitty Kat Bar's ABC license would be suspended for a period of 30 days. HPPD provided Planning staff with a copy of ABC report Reg No. 19088767 (Exhibit H), which identified 17 counts against the business operation. The counts include, but are not limited to:

- Employees of the business soliciting the purchase or sale of a drink intended for the consumption of the employee;
- Employees loitering in or about said premises for the purpose of begging or soliciting patrons or customers to purchase alcoholic beverages for the employees' consumption;
- Employees were procuring or encouraging the purchase or sale of alcoholic beverage;
- Employees encouraging others, directly or indirectly, to buy them drinks in the licensed premises under a commission, percentage, salary or other profit-sharing plan, scheme or conspiracy.

The suspension was served starting on August 23, 2019 and concluded on September 21, 2019. ABC Reg No. 19088767 was filed against Mr. Custodio Alascon Mendez, as the owner of the Kitty Kat Bar.

HPPD also informed Planning staff that this was not the first time ABC had suspended the alcohol license for this establishment. According to ABC records, the alcohol

license was also suspended on October 22, 2003 and again on April 30, 2010.

ABC report Reg No. 03056073 (Exhibit F) was filed against Mr. Custodio Alascon Mendez in 2003. ABC report Reg No. 03056073 identified 15 counts against the business operation. The counts include, but are not limited to:

- Employees encouraging others, directly or indirectly, to buy them drinks in the licensed premises under a commission, percentage, salary or other profit-sharing plan, scheme or conspiracy;
- Employees loitering in or about said premises for the purpose of begging or soliciting patrons or customers to purchase alcoholic beverages for the employees consumption;
- Employees procuring or encouraging the purchase or sale of alcoholic beverage;
- Employees soliciting the purchase or sale of a drink intended for the consumption of the employees;
- Employees selling, furnishing, or providing alcoholic beverages to persons who were obviously intoxicated.

As a result, the establishment's ABC license was issued a 20-day suspension under ABC report Reg No. 03056073. The suspension began on March 4, 2004 and concluded on March 24, 2004

The second time this establishment was issued an ABC suspension was on April 30, 2010. According to ABC report Reg No. 10072989 (Exhibit G), there were a total of seven (7) counts filed against the business operation. The counts include, but are not limited to:

- Employees encouraging others, directly or indirectly, to buy them drinks in the licensed premises under a commission, percentage, salary or other profit-sharing plan, scheme or conspiracy;
- Employees loitering in or about said premises for the purpose of begging or soliciting patrons or customers

to purchase alcoholic beverages for the employees' consumption;

- Employees procuring or encouraging the purchase or sale of alcoholic beverage.

As a result, the establishment's ABC license was issued a 30-day suspension under ABC report Reg No. 10072989. The suspension began on April 7, 2011 and concluded on May 7, 2011.

All three (3) ABC suspensions were issued to Mr. Custodio Alascon Mendez, the registered bar owner since 2000. Similar counts are reported in each of the suspensions, including the most recent suspension occurring this year.

- ***Huntington Park Police Department Findings***

HPPD provided a call log history (Exhibit E) for the subject site, which covers a period of approximately five (5) years. Specifically, the call log report identifies calls for service beginning September 12, 2014 and ending August 8, 2019. A total of 189 calls for service have been documented by the HPPD during that period. HPPD has addressed public safety issues including, but not limited to: battery reports, parking, robbery reports, assault with deadly weapon, vehicle theft, welfare checks, fights, disturbances, domestic cases, spousal abuse, rape, suspicious circumstances, music, intoxication, hit & runs, driving under the influence, shots fired, and terrorist threats.

DISCUSSION:

- ***Conditional Use Permit (CUP)***

The Planning Commission may hold a hearing to revoke or modify a Conditional Use Permit granted in compliance with the provisions of HPMC Section 9-2.1112, "Revocation." A Conditional Use Permit may be revoked or modified by the Commission if any one of the following findings can be made:

1. That circumstances been changed by the applicant to a degree that one or more of the findings contained in the original permit can no longer be made in a positive

manner and the public health, safety and welfare require the revocation;

2. That the Conditional Use Permit was issued, in whole or in part, on the basis of a misrepresentation or omission of a material statement in the application, or in the applicant's testimony presented during the public hearing, for the entitlement or permit;
3. That the use for which the Conditional Use Permit was granted had ceased or was suspended for six (6) or more months;
4. That one or more of the conditions of the Conditional Use Permit have not been met;
5. That the use is in violation of any statute, ordinance, law or regulation; or
6. That the use permitted by the Conditional Use Permit is detrimental to the public health, safety or welfare or constitutes a nuisance.

ANALYSIS:

• ***Grounds for Revocation***

Based on the facts presented above and further discussed below, the grounds for revocation include, but are not limited to, (1) change in circumstances by the applicant to a degree that the findings contained in the original permit can no longer be made in a positive manner and the public health, safety and welfare require renovation; (2) that one or more of the conditions of the CUP have not been met; and (3) the use permitted under the CUP is detrimental to the public health, safety or welfare and constitutes a nuisance.

• ***Department of Alcohol Beverage Control (ABC) Suspensions***

As noted, the establishment has been subject to ABC license suspensions on three separate occasions. All three suspensions have occurred under the ownership of Mr. Custodio Alascon Mendez. Mr. Mendez has owned the establishment for 19 years (since 2000) and has been charged with various counts of violations pursuant to State

Page 9 of 14

Law. The counts against Mr. Mendez cause concern with regards to the management and operation of the establishment. It is evident, as reported by ABC, that Mr. Mendez has continued to violate the law.

The establishment has become detrimental to the community as evidenced by the extensive history of violations and lack of oversight by Mr. Mendez. . Most alarming is ABC's report which notes that intoxicated customers have been served alcoholic drinks despite their apparent intoxicated state. Overserving patrons can lead to dangerous problems once intoxicated patrons leave the establishment. For example, driving under the influence, public intoxication, urinating in public, disturbances, etc. It is also reasonable to assume that patrons leaving the establishment may also loiter or "spill" onto adjacent neighboring areas.

Another concern raised by the establishment's management is the practice of allowing employees to solicit alcoholic drinks from patrons. Soliciting a drink from a patron is typically an unofficial way of paying for companionship of the employee, which commonly, is a cocktail waitress. This practice of soliciting a drink from a patron is also connected to a profit-sharing agreement with the business owner. For example, under this scheme after every alcoholic beverage purchased for the employee, the business owner will pay the employee a percentage or share of the cost of the beverage. As a result, the employee is incentivized to consume alcohol or in some instances overconsume alcohol while working.

Over the course of 19 years, Mr. Mendez has not demonstrated that he is capable of operating a cocktail lounge without violating State (ABC) and local laws.

- ***Huntington Park Police Department***

HPPD expressed concerns with the operation of the establishment. The establishment has caused problems associated with alleged criminal activities including, possession of weapons, shots being fired, public intoxication, rape, noise, traffic, and peace disturbances. As indicated in the call log report, there have been a total of 189 calls for service to this establishment over a period of approximately 5 years.

Page 10 of 14

HPPD spends resources every time they respond to a call for service to this location. If the operation was managed properly, it is reasonable to assume that calls for service would diminish, thus freeing up Police Officers and allowing them time to address other public safety issues throughout the community.

Based on the activities that have transpired over the past 19 years, HPPD is not confident that the current business owner has the ability or intent to operate a cocktail lounge without violating State (ABC) and local laws. This is further supported by the repeated ABC license suspensions that have been issued to Mr. Mendez on the three separate occasions described above. In addition, given the volume of calls for service to this location, HPPD has expressed concerns for the public's safety in and around the vicinity. It is also worth noting that the cost associated with repeat calls to HPPD drain City resources that may be better utilized in other areas of the community.

- ***Conditional Use Permit No. 1530 Compliance***

During a site inspection on November 7, 2019, the Planning Division observed conditions of approval nos. 2, 14, and 15 were out of compliance. Specifically the conditions required the following:

2. That the applicant shall comply with all applicable codes, laws, rules and regulations, including Health and Safety, Building, Fire, Sign, Zoning, and Business License Codes of the City of Huntington Park – ***Site visit identified unpermitted painted on signage along the easterly, southerly, and westerly walls of the building. Also observed the perimeter block wall and trash enclosure were painted with mural type signage. A search of Sign Design Review application files did not yield approvals for painted or mural type signage. City approvals are required for business signage pursuant to HPMC section 9-3.1205 B.***
14. That the applicant replant and maintain landscape vegetation on the two eastern triangular planters not later than July 7, 1993 – ***Site visit identified no landscaping material in the eastern triangular***

planters. Planters were filled with dirt and one planter area was utilized for vehicle parking;

15. That the applicant repaint all exterior walls one solid color which have graffiti and/or different colored paint sections not later than July 7, 1993. – ***Site visit identified graffiti on block wall enclosure as well as various mural type signs on the enclosure and perimeter block wall.***

Since the November 7, 2019, site inspection, the subject site has attempted to comply with conditions of approval identified above. Specifically, a site visit on December 9, 2019 observed that portions of the existing building had been repainted removing the painted on signage and mural type signage along the block wall and trash enclosure. While removal of the unpermitted painted on signage and murals are a step in the right direction, paint will need to be applied consistently throughout the entire building.

In addition, pursuant to HPMC section 9-3.103 3.B.(3) exterior building colors shall be reviewed in conjunction with a request for any Building Permit, Development Permit, Minor Modification, Minor Conditional Use Permit, Conditional Use Permit, Minor Variance, Variance, Tentative Parcel or Tract Map, Sign Design Review, any other type of Department entitlement review as required by the HPMC. As a result, painting of the building will require a Color Approval application to be submitted, reviewed, and approved by the Planning Division. No application has been submitted.

During the site visit of December 9, 2019, the landscape planters were still observed to be unmaintained and filled with dirt. A landscape plan is required to be submitted, reviewed, and approved by the Planning Division. No application has been submitted.

- ***Conditional Use Permit Modification/Revocation Findings***

A Conditional Use Permit may be revoked or modified by the Commission if any one of the findings identified in Huntington Park Municipal Code (HPMC) section 9-2.1112 can be made. Based on the information provided by the

following findings can be made to support the revocation of Conditional Use Permit Case No. 1530:

- That circumstances have been changed by the applicant to a degree that one or more of the findings contained in the original permit can no longer be made in a positive manner and the public health, safety and welfare require the revocation ***in that finding (D) of Conditional Use Permit 1530, which states “that the establishment, maintenance or conducting of the use for which a conditional use permit is sought will not, under the particular case, be detrimental to the persons residing or working in the neighborhood of such use; and will not, under the circumstances of the particular case, be detrimental to the public welfare or injurious to the property or improvements in the neighborhood” cannot be made due to the fact that over a 19 year period, under the same ownership, the business has not operated consistent with State Alcohol Beverage Control (ABC) Laws and Public Safety Laws of the City of Huntington Park as evident by the three (3) ABC Liquor License suspensions and the 189 calls for public safety service. Based on the State and local violations, the existing cocktail lounge is operating under circumstances that are detrimental to the public welfare of the community.***
- That one or more of the conditions of the Conditional Use Permit have not been met ***in that the following conditions of approval have been identified to be out of compliance based on a site visit of November 7, 2019:***
 2. That the applicant shall comply with all applicable codes, laws, rules and regulations, including Health and Safety, Building, Fire, Sign, Zoning, and Business License Codes of the City of Huntington Park – ***Site visit identified unpermitted painted on signage along the easterly, southerly, and westerly walls of the building. Removal of unpermitted signage will require comprehensive application of new building paint. Pursuant to HPMC section 9-3.103 3.B.(3), Color Approval Application is required to be submitted, reviewed, and approved by the City. No application has been submitted.

14. That the applicant replant and maintain landscape vegetation on the two eastern triangular planters not later than July 7, 1993 – *Site visit identified no landscaping material in the eastern triangular planters. Planters were filled with dirt and one planter area was utilized for vehicle parking. A landscape plan is required to be submitted, reviewed, and approved by the City. No application has been submitted.*

15. That the applicant repaint all exterior walls one solid color which have graffiti and/or different colored paint sections not later than July 7, 1993. – *Site visit identified graffiti on block wall enclosure as well as various mural type paintings on the enclosure and perimeter block wall.
