Public Works Department
City Council Agenda Report

November 1, 2022

Honorable Mayor and Members of the City Council
City of Huntington Park
6550 Miles Avenue
Huntington Park, CA 90255

Dear Mayor and Members of the City Council:

CONSIDERATION AND APPROVAL SETTING THE PUBLIC HEARING DATE OF NOVEMBER 15, 2022 TO ADOPT AN ORDINANCE AMENDING ARTICLE 4 "MANDATORY WATER CONSERVATION" IN CHAPTER 5 "WATER SYSTEM" AT TITLE 6 "SANITATION AND HEALTH" OF THE HUNTINGTON PARK MUNICIPAL CODE

IT IS RECOMMENDED THAT CITY COUNCIL:

1. Approve setting the public hearing date of November 15, 2022 to adopt an ordinance amending the City's Municipal Code, Article 4 "Mandatory Water Conservation" in Chapter 5 "Water System" at Title 6 "Sanitation and Health."

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On March 28, 2022, the Governor declared the California Emergency Services Act (Executive Order N-7-22) effective immediately to combat the State's water shortage drought. On May 25, 2022, State Water Resources Control Board (Water Board) adopted emergency regulations that required the City to submit a preliminary annual water supply and demand assessment by June 1, 2022 and a final annual water supply and demand assessment by July 1, 2022.

City adopted the 2020 Urban Water Management Plan via Resolution 2021-12 and the Water Shortage Contingency Plan via Resolution 2021-13 at the June 1, 2021 City Council meeting. These plans are part of the City's water conservation efforts to add language and provisions that regulate water usage and impose practical methods of environmental preservation. For example, under the Level 1 Water Supply Shortage, irrigation is permitted for 45 minutes or three days per week, per station, from April 1 through October 31, and for 30 minutes, or two days per week, per station, from

Page 2 of 3

November 1 through March 31. City is currently under a Level 2 Water Supply Shortage conservation effort as established by the Governor’s Executive Order.

Adoption of the ordinance focuses on amending the provisions of the water conservation program as dictated in the Municipal Code in order to remain consistent with the recent changes in State law. Language contained in the ordinance prevents parcel owners from the unreasonable use of water and promotes water conservation. Businesses are regulated from utilizing potable water for irrigation of non-functional turf at commercial, industrial and institutional sites. For this reason, City is doing its part by holding a public hearing so that our residents, businesses and stakeholders have an opportunity to review and understand the water needs of our community.

LEGAL REQUIREMENT

The State Water Resources Control Board has adopted two emergency regulations that prohibit certain wasteful water use practices statewide and encourage the City to monitor water use more closely while building habits to use water wisely and make conservation a way of life. City is adopting sustainable language to uphold water conservation measures.

City’s adopted water shortage contingency plan under Water Code 10632 identifies a shortage level reeducation of twenty-percent (Level 2) and requires the implementation at a minimum of the following actions:

- Initiate a public information and outreach campaign for water conservation and promptly and effectively reach the supplier’s customers, using efforts such as email, paper mail, bill inserts, customer app notifications, news articles, websites, community events, radio and television, billboards and social media.
- Implement and enforce an ordinance limiting landscape irrigation with potable water to no more than two (2) days per week and prohibiting landscape irrigation with potable water between the hours of 10:00 a.m. and 6:00 p.m.
- Authority to enforce, as infractions, the prohibitions and takes enforcement against violations.

FISCAL IMPACT/FINANCING

There is no fiscal impact associated with the approval of this recommendation.

CONCLUSION

Upon Council approval, staff will proceed with the recommended actions.

Respectfully submitted,

City Council Agenda Report

November 1, 2022

Honorable Mayor and Members of the City Council
City of Huntington Park
6550 Miles Avenue
Huntington Park, CA 90255

Dear Mayor and Members of the City Council:

APPROVE ACCEPTANCE OF WORK PERFORMED FOR CIP 2021-02 CPS AND ARS INSTALLATION PROJECT

IT IS RECOMMENDED THAT CITY COUNCIL:

1. Approve acceptance of work performed by United Storm Water, Inc. for the fabrications and installation of CIP 2021-02 CPS and ARS Installation Project; and
2. Authorize staff to execute the Notice of Completion (NOC) and direct the City Clerk to file the NOC with the Los Angeles County Recorder's Office.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

At the February 15, 2022 City Council meeting, the City Council awarded the construction contract to United Storm Water, Inc. (contractor). The project consisted of the fabrication and installation of Connector Pipe Screen (CPS) and Automatic Retractable Screens (ARS) at City-owned catch basins. CPS units prevent trash and debris from entering the storm drain system during dry weather and moderate storm flows by keeping the trash and debris inside the catch basin. ARS units minimize trash and debris from entering the stormdrain network during dry weather and moderate storm flows by keeping the trash and debris in the gutter so that it may be collected by the street sweeper. The Project has been deemed substantially completed in accordance with the contract specifications. There are no unresolved stop notices or outstanding construction claims against the contractor. Staff recommends accepting the project as substantially complete and executing the NOC within the prescribed timeline.

LEGAL AND PROGRAM REQUIREMENTS

It is recommended that the Mayor and Members of the City Council accept the project as satisfactory and complete. Upon acceptance of the project, staff will file the "Notice of Completion" (Attachment 1) with the Los Angeles County Recorder's Office.

Dear Mayor and Members of the City Council:

**CONSIDERATION AND APPROVAL TO SOLICIT PROPOSALS FOR THE
PREPARATION OF PLANS, SPECIFICATIONS AND ESTIMATE FOR CIP 2019-14
ATP CYCLE V PROJECT NO. ATPSB1L-5150(017)**

IT IS RECOMMENDED THAT CITY COUNCIL:

1. Authorize staff to publish and solicit a Request for Proposal (RFP) from qualified engineering firms for the preparation of Plans, Specifications and Estimate for CIP 2019-14 ATP Cycle V Project No. ATPSB1L-5150(017).

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On December 9, 2021, the California Transportation Commission (CTC) approved the allocation of funds for Project Approval and Environmental Design (PA&ED) for CIP 2019-14 ATP Cycle V Project No. ATPSB1L-5150(017). Upon preparation and completion of all PA&ED documents, the City received Categorical Exemption (CE) approval from the California Department of Transportation (Caltrans) on June 9, 2022. Obtaining CE approval allows for the requesting of funds for the Plans, Specifications, and Estimate (PS&E) phase. The City submitted a funding request to Caltrans for PS&E allocation on June 16, 2022. At their August 18, 2022 meeting, the CTC allocated funding in the amount of \$275,000 to begin the PS&E phase for this project.

The proposed project will create pedestrian safety and mobility enhancements along Gage Avenue, State Street, California Avenue, and the intersection of Florence Avenue

at Bissell Street. It builds off previous safety initiatives and targets persistent concerns along Gage Avenue, where pedestrian ramp improvements and sidewalk replacement will improve safety and encourage active transportation for ten schools along Gage Avenue and seven schools along State Street. The project also adds four transit bus pads that will provide ADA-access and stable station platforms for all ages that will promote more active transportation to and from bus services. Pedestrian ramps will be improved along the residential corridor of California Avenue. Finally, HAWK beacons at three critical mid-block locations in the City, including the intersection of Florence Avenue and Bissell Street will improve north-south pedestrian safety to schools near Salt Lake Park. These infrastructure improvements will increase pedestrian mode share for sixteen elementary, middle, and high schools with a cumulative enrollment of 14,595 students. This will address a youth population with the highest rate of collision fatalities and obesity in the State.

Engineering support from an outside consultant is necessary to accomplish the design phase of the project. A formal RFP (Attachment 1) will be published to solicit proposals from qualified firms to provide design services for the project.

The following is a tentative schedule:

California's QBS requirements can be found at Government Code sections 4525 et seq., also known as the Mini Brooks Act.

The City Clerk's Office shall publish the RFP in the local newspaper of general circulation, the City's website and other forms of electronic media. The RFP shall describe the project and provides the tasks required from engineering firms to design the project. The time and location to submit proposals shall also be placed within the published RFP. The RFP shall be published for a minimum period of twenty-one (21) calendar days. Once proposals are submitted, reviewed and scored, staff will come back to the City Council with a recommendation to award.

FISCAL IMPACT/FINANCING

At its regularly scheduled meeting of August 18, 2022, the California Transportation Commission (CTC) allocated funding in the amount of \$275,000 (Attachment 2). City must seek reimbursement of state funds as work progresses. A local City match is not required. Approval of this specific action does not have a fiscal impact on the general fund.

1. INTRODUCTION

The City of HUNTINGTON PARK is soliciting Proposals from qualified and experienced consultants for engineering design services for the preparation of Plans, Specifications, and Estimate (PS&E). Work during PS&E development involves the preparation of civil plans, surveying, geometric base maps and functional base plan sheets, including review of existing project information, gathering appropriate mapping, coring/potholing to find underground utility conflicts and conducting necessary studies as part of **CIP 2019-14 ATP Cycle V Project No. ATPSB1L-5150(017)**.

2. OVERVIEW

The proposed project will create pedestrian safety and mobility enhancements along Gage Avenue, State Street, California Avenue, and the intersection of Florence Avenue at Bissell Street. It builds off previous pedestrian safety initiatives along Gage Avenue which include curb ramp improvements and sidewalk replacement. The project also adds four transit bus pads that will provide ADA-access. Pedestrian ramps will be improved along the residential corridor of California Avenue. Placemaking enhancements along State Street will square two unconventional intersections to reduce crossing distance for pedestrians. Finally, HAWK beacons at three critical mid-block locations in the City. This project is subject to Greenbook standards and Public Contracting Code procurement requirements. Caltrans standards may also apply.

3. SCOPE OF SERVICES

The City is seeking a qualified consultant to provide technical professional services related to the design of **CIP 2019-14 ATP Cycle V Project No. ATPSB1L-5150(017)**. The consultant applying should have significant experience in preparing plans, specifications, and cost estimates. The objective of the project is to complete 100% design and secure approval of all plans, specifications, and cost estimates by **June 19, 2023**.

- The City reserves the right to delete specific task(s).

A. Task 1 – Conduct Field Review and Surveys

- The PS&E phase will include, but will not be limited to: data collection, field reconnaissance, engineering and geotechnical investigation, topographic and boundary survey, plans, profiles, layouts, typical sections, and construction details necessary to construct the required civil work. Additional work includes potholing/boring to see if there are any underground utility obstructions/conflicts when designing footings for poles.

- Identify locations of any survey monuments or encroaching properties that will be affected by construction.

City Council Agenda Report

November 1, 2022

Honorable Mayor and Members of the City Council
City of Huntington Park
6550 Miles Avenue
Huntington Park, CA 90255

Dear Mayor and Members of the City Council:

CONSIDERATION AND APPROVAL OF PUBLICLY VISIBLE ART AT PROPERTY LOCATED AT 6833 PACIFIC BOULEVARD

IT IS RECOMMENDED THAT CITY COUNCIL:

1. Approve the Publicly Visible Art for the existing AT&T business located at 6833 Pacific Boulevard.

BACKGROUND

On October 12, 2022, Planning received an application for Publicly Visible Art for an existing AT&T business located at 6833 Pacific Boulevard. The business is located on the northwest corner of Pacific Boulevard and Saturn Avenue. The proposed art will consist of a mural that measures 8.5 feet by 60 feet, located on the top portion of the existing building fronting Saturn Avenue that is occupied by AT&T. The artwork has a valuation of approximately \$13,800. The artwork is in "AT&T Blue" and includes Huntington Park landmarks such as the Warner Theater. It will be a part of AT&T's company-wide initiative to "win locally" and shift their identity to mirror the communities of the customers they serve. AT&T aims to appeal to the Huntington Park community by incorporating local images.

Pursuant to Huntington Park Municipal Code (HPMC) Section 9-3.1710, an application for placement of artwork on private property as part of a development project shall be submitted to the Planning Division for Planning Commission review and approval. However, if the proposed artwork is not associated with a development project the application for artwork shall be submitted to the Parks and Recreation Department for

CONSIDERATION AND APPROVAL OF PUBLICLY VISIBLE ART AT 6833 PACIFIC BOULEVARD

City Council review and approval. Since the artwork for the AT&T at 6833 Pacific Boulevard will be associated with an existing building and not be part of a new development project, it is at the discretion of City Council to approve or deny the proposed artwork.

Additionally, per HPMC Section 9-3.1704, "City Council shall have the authority to grant approval or denial of any proposed artwork submitted pursuant to the publicly visible art requirements in this article that is not associated with a development project. The City Council shall not grant the placement of any artwork unless the City Council finds that the artwork complies with the property maintenance standards as set forth in Huntington Park Municipal Code Section 8-9.02.1."

FISCAL IMPACTS

Fees collected for the Publicly Visible Art Application will be directed to the City Art Fund as stipulated in Huntington Park Municipal Code Section 9-3.1705.

CONCLUSION

Upon Council approval, staff will proceed with the recommended actions.

PROPOSED ARTWORK

1. Provide a brief narrative of the proposed artwork for that will be placed for public visibility:

AT&T Store Sign - rendering attached. Our goal with this project is to add a beautiful mural that calls out
to the local Huntington Park culture. Currently the wall is a faded color, and this new mural, funded by AT&T, will
provide a solution to improving the overall look of the building. We asked our artist (Lstar) to create
a design that was in "AT&T Blue", and included Huntington Park city landmarks. This is part of AT&T's
company-wide initiative to "win locally" and shift our identity to mirror the communities of the
customers we serve.

2. Provide description of artwork (Give full details describing the meaning, type, size, style, medium of the art work):

ITEM NO. 9

CITY OF HUNTINGTON PARK

Public Works Department
City Council Agenda Report

November 1, 2022

Honorable Mayor and Members of the City Council
City of Huntington Park
6550 Miles Avenue
Huntington Park, CA 90255

Dear Mayor and Members of the City Council:

PUBLIC HEARING TO ADOPT THE LOS ANGELES COUNTY REVISED COUNTYWIDE SITING ELEMENT

IT IS RECOMMENDED THAT CITY COUNCIL:

1. Open the public hearing and hear objections or protests, if any, to the adoption of the Los Angeles County revised countywide siting element;
2. Close the public hearing; and
3. Adopt Resolution No. 2022-37 declaring the adoption of the Los Angeles County revised countywide siting element.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

At the October 18, 2022 City Council meeting, the City Council approved setting November 1, 2022 as the public hearing date to hear any objections or protests to the adoption of the Los Angeles County revised countywide siting element (CSE). The California Integrated Waste Management Act of 1989 (AB 939), as amended (Section 40000 et seq. of the California Public Resources Code), requires the County of Los Angeles to prepare a countywide siting element that describes how the county, and the cities within the county, plan to manage the disposal of their solid waste for a 15-year planning period.

The Siting Element contains specific criteria developed to assist the 88 cities and County unincorporated areas in permitting or denying the expansion of existing solid waste disposal facilities, or new landfills and/or transformation of facilities to incineration facilities. Program goals are integral to protecting public health and regional natural resources as listed below:

- Protect residents

November 1, 2022

Page 2 of 4

- Ensure the structural stability and safety of the facility
- Protect surface water
- Protect groundwater
- Protect air quality
- Protect environmentally sensitive areas
- Ensure safe transportation of solid waste
- Protect the social and economic development goals of the community

Population growth requires the future consideration of space necessary to mitigate the proper disposal of solid waste through addressing potential expansions of several existing in-County Class III landfills within the 15-year planning period. Diversion of construction debris, recyclables, etc. from landfills are ways in which the City complies with AB 939. Public involvement during the planning process is important when properly development the CSE. Holding a public hearing provides our residents with the opportunity to review and comment on the process. The Preliminary Draft CSE was posted on the City's website and is accessible from the Los Angeles County Department of Public Works' website: <https://dpw.lacounty.gov/epd/cse/AboutUs/>

Staff recommends that the City Council adopt the resolution adopting the final Draft CSE which will be submitted to the County Board of Supervisors for acceptance and CalRecycle's ultimate approval. Resolution are due to the County on or before December 1, 2022.

ENVIRONMENTAL

The California Environmental Quality Act (CEQA) is a statute that requires the identification of significant environmental impacts based on determining actions taken on a project or program. Recommendation are made to mitigate impacts associated with the actions taken.

On August 2, 2022, the County of Los Angeles Board of Supervisors certified the Final Environmental Impact Report and its associated environmental documents for the Los Angeles County Revised Countywide Siting Element (Revised CSE), as well as authorized Los Angeles County Public Works, acting as the lead agency, to release and submit the Revised CSE to each city within Los Angeles County for a State-mandated 90-day approval period, in accordance with Public Resources Code Sections 41721 and 41760.

LEGAL REQUIREMENT

State law requires cities and counties to divert and reduce 25 percent of their solid waste from landfills and solid waste facilities by 1995 and 50 percent by the year 2000, through source reduction, recycling and composting programs. State law also has recognized that after these diversion goals are met, the remaining waste must be properly disposed of in order to protect the public health and safety. As such, State law requires counties to prepare a plan to address management of this residual waste at landfills and transformation facilities for a 15-year planning period. Purpose of the CSE is to provide a

COUNTYWIDE SITING ELEMENT**

planning mechanism to address the disposal needs of the 88 cities and the County unincorporated areas over the next 15-years.

As required by Public Resources Code Sections 41721 and 41760, the city has 90 days to either take formal action to adopt, or take no action, or disapprove, at the cities' individual discretion, as described below:

Formal Action by City

- Take formal action to adopt a resolution after conducting a duly noticed public hearing for the purpose of approving or disapproving the Revised CSE.

No Action by City

- If a city does not act within the 90-day period, the document will be considered "tacitly approved" by that city.

City Disapproves

- Pursuant to Title 14, California Code of Regulations, Sections 18783, if a city disapproves the Revised CSE, the city shall give written notice to the Los Angeles County Solid Waste Management Committee/Integrated Waste Management Task Force, the Board, and the Department of Resources Recycling and Recovery (CalRecycle) of the deficient areas in the Revised CSE, within 30 days of disapproval.

FISCAL IMPACT/FINANCING

There is no fiscal impact associated with the approval of this recommendation.

CONCLUSION

Upon Council approval, staff will proceed with the recommended actions.

Respectfully submitted,

RICARDO REYES

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The Community Development Department continues to pursue funding opportunities that will support the City's goals related to developing affordable housing. To that end, the City is eligible to apply for the Permanent Local Housing Allocation (PLHA) grant.

The purpose of the PLHA is to provide a permanent source of funding to all local governments in California to help cities and counties implement plans to increase the affordable housing stock, specifically:

- ☐ Increase the supply of housing for households at or below 60% of area median income.
- ☐ Increase assistance to affordable owner-occupied workforce housing.
- ☐ Assist persons experiencing or at risk of homelessness.

- ☐ Promote projects and programs to meet the local government's unmet share of regional housing needs allocation; and
- ☐ Ensure geographic equity in the distribution of the funds.

The preliminary amount for the City of Huntington Park for year-one is \$1 million, and averages \$782,014 over the five-year period. Only 5% is allocated for administrative costs.

Eligible activities include:

1. The predevelopment, development, acquisition, rehabilitation, and preservation of multifamily, residential live-work, rental housing that is affordable to extremely low-, very low-, low-, or moderate-income households, including necessary operating subsidies.

ADUs shall be available for occupancy for a term of no less than 30 days.
3. Matching portions of funds placed into Local or Regional Housing Trust Funds.

6. Assisting persons who are experiencing or at risk of homelessness, including, but not limited to, providing rapid rehousing, rental assistance, supportive/case management services that allow people to obtain and retain housing, operating and capital costs for navigation centers and emergency shelters, and the new construction, rehabilitation, and preservation of permanent and transitional housing.
 - a. This activity may include subawards to administrative entities as defined in HSC Section 50490(a)(1-3) that were awarded CESH program or HEAP funds for rental assistance to continue assistance to these households.
 - b. Applicants must provide rapid rehousing, rental assistance, navigation centers, emergency shelter, and transitional housing activities in a manner consistent with the Housing First practices described in 25 CCR, Section 8409, subdivision (b)(1)-(6) and in compliance with WIC Section 8225(b)(8). An applicant allocated funds for the new construction, rehabilitation, and preservation of permanent supportive housing shall

7. Accessibility modifications in lower-income owner-occupied housing.
8. Efforts to acquire and rehabilitate foreclosed or vacant homes and apartments.
9. Homeownership opportunities, including, but not limited to, down payment assistance.
10. Fiscal incentives made by a county to a city within the county to incentivize approval of one or more affordable housing projects, or matching funds invested by a county in an affordable housing development project in a city within the county, provided that the city has made an equal or greater investment in the project. The county fiscal incentives shall be in the form of a grant or low-interest loan to an affordable housing project. Matching funds investments by both the county and the city also shall be a grant or low interest deferred loan to the affordable housing project.

This is a non-competitive Notice of Funding Availability (NOFA) process with a deadline of November 30, 2022.

FISCAL IMPACT/FINANCING

The potential grant amount for the PLHA funding is \$3,910,068 over a five-year period. The city is applying for \$2,779,264 over the previous three-year period. Expected to receive an additional \$1,130,804 over the next two years.

§302(c)(4) Plan

Rev. 2/16/22

§302(c)(4)(A) Describe the manner in which allocated funds will be used for eligible activities.

The City of Huntington Park plans on applying for two programs that achieve the following eligible activities under the PLHA application: (2) The predevelopment, development, acquisition, rehabilitation, and preservation of Affordable rental and ownership housing, including Accessory Dwelling Units (ADUs), that meets the needs of a growing workforce earning up to 120-percent of AMI, or 150-percent of AMI in high-cost areas. ADUs shall be available for occupancy for a term of no less than 30 days.

§302(c)(4)(B) Provide a description of the way the Local government will prioritize investments that increase the supply of housing for households with incomes at or below 60 percent of Area Median Income (AMI).

The City of Huntington Park is looking to fund two programs: the Amada Townhome Project, the assistance for low-income housing development, and the property acquisition project. The City of Huntington Park is partnering with Azure Community Development to construct 9 townhomes at the corner of State and 61st Street. The townhomes will serve working families with a maximum of 80% AMI in LA County and provide them 30-year covenants to ensure that the developments remain affordable. Each family that will be served under this project will receive a silent second down-payment of at least \$100,000. The Resuse Plan document that is attached to this application provides more detail about that loan program. The City of Huntington Park will be working alongside Community Housing Development Organization (CHDO) to acquire, build, and manage affordable housing units throughout the city. The second activity will be used to create a funding source to help allocate for future projects to assist the development for more low-income housing. The City of Huntington Park is in the process of locating and acquiring properties. These properties will be bought and rehabilitated to serve as affordable housing units for underserved families. The policies and procedures under the CalHOME program will be used as a framework for the guidelines of this project.

§302(c)(4)(C) Provide a description of how the Plan is consistent with the programs set forth in the Local Government's Housing Element.

The Housing Element establishes goals that address the city's development, maintenance, and improvement of the housing stock. Of these goals and policies from the Housing Element the following apply to the projects and programs that the City of Huntington Park is proposing. (Goal Policy 1.1) promote opportunities for homeownership to low- and moderate-income households through homebuyer assistance programs or inclusionary housing requirements that apply to ownership projects, (1.2) facilitate the development of missing-middle housing (accessory dwelling units, duplexes, triplexes, and small-lot subdivisions consistent with state law) to provide affordable housing opportunities in existing neighborhoods, (1.5) increase the development of affordable housing across the city through the use of density bonuses, dedicated funding, and other incentives that promote the construction of multifamily developments, and (2.4) strengthen neighborhoods through a partnership with nonprofits in the acquisition and rehabilitation of deteriorated properties and provision of long-term affordable housing.
