Damien Mcray, resident of the city who patronizes the Circle K located at State St. and Santa Fe Ave, claims staff is very welcoming and wanted to advocate for the store. Stores are always polite, clean, and are a good example of what a business should be for the community.

Ronald Mcray, resident of the city who patronizes both Circle K stores, finds the business very courteous, clean parking lots, no loitering outside the store and welcoming.

Roberto Rigardo, resident of the city, claims the store is very convenient, overall, the store is a safe place as he has been there at multiple times of the day.

Edgardo Argon, resident of the city, states he has been going to Circle K since he became a resident. The store is very friendly, clean, safe, and overall, well managed. Very clean compared to other convenience stores.

Richard Hernandez, Attorney of Circle K applicant, commends Planning Manager Bollier for his attention in regard to issues on interpretations and that it would be better to review the issues before presenting the project to the commission and leaving the public hearing open until the next meeting.
