FEE DESCRIPTION

9-3.1706 Projects subject to publicly visible art requirement

(a) All new residential developments of two (2) or more units, public and institutional buildings, and all commercial and industrial development projects with a construction valuation equal to or exceeding one hundred thousand (\$100,000.00) dollars shall be subject to the provisions of this article, provided that the value of residential units covenanted for low or moderate income households, or for senior citizens shall not be included when determining the value of a residential development.

(b) Including, but not limited to, exterior and interior modifications and additions, all remodeling and/or renovation of existing residential buildings of two (2) or more units, public and institutional buildings, and existing commercial and industrial buildings shall be subject to the provisions of this article when such remodeling/renovation has a valuation equal to or exceeding fifty thousand (\$50,000.00) dollars, excluding earthquake rehabilitation required by this Code for seismic safety. As used in this article, the value of a residential unit covenanted for low or moderate income households or for senior citizens shall not be included when determining the value of a residential development.

(c) All development projects, as identified above, shall comply with all requirements of this article.

9-3.1707 Exemptions

(a) Buildings which are designed and dedicated to performing arts or museum uses shall not be required to meet the one percent set-aside requirement as described in Section 9-3.1708 for as long as the performing arts or museum uses are maintained within the building.

(b) Reconstruction of structures which have been damaged by fire, collapse, explosion, flooded, wind, earthquake or other disaster and subject to Section 9-3.611 of this Code

9-3.1708 Program allocations

(a) The program allocation, used in this article, is the percentage of the construction cost which is set aside for the City's publicly visible art program, and shall be an amount equal to one percent of the total construction valuation for an applicable project, excluding land acquisition and off-site improvement costs. The total construction valuation shall be computed using the rates established by the County of Los Angeles' Ordinance Numbers 91-0086, 87, 88, 89 as adopted by the Huntington Park City Council. Res #94-52

(b) In-lieu of placement or donation of an approved artwork, the applicant may pay to the City art fund as set forth in Section 9-3.1705, one percent of the total construction valuation, determined as set forth in subsection a.

(c) Nothing in this section shall prohibit the applicant from placing an approved artwork with acquisition and installation costs in an amount less than the program allocations provided that the applicant shall also pay to the City art fund an amount equal to the difference between the program allocation and the costs of acquisition and installation of such artwork.

The Planning Division assesses the 9-3.1706 publicly visible art requirement; however, Building & Safety does communicate with applicants regarding these fees and enforces through the permit issuance process. No final inspection is granted by Building & Safety without these fees paid to the Planning Division.

*** Note:** Plan Check, Permit, and Inspection Fees not specifically delineated in this Master Fee Schedule shall be the County of Los Angeles fees in effect at the time of permit issuance
