City of Huntington Park Announces Selection of Mayor and Vice Mayor

HUNTINGTON PARK, Calif. — The Huntington Park City Council has selected Eduardo “Eddie” Martínez to serve as Mayor and Jonathan A. Sanabria to serve as Vice Mayor for a one-year term following the Council’s reorganization on Tuesday, January 27, 2026.

Mayor Martínez returns to the role with a continued focus on integrity, transparency, and action, emphasizing community-centered leadership and progress on key city priorities.

“I am humbled and energized by the opportunity to serve as Mayor once again,” said Mayor Eduardo “Eddie” Martínez. “My leadership is rooted in respect and compassion but guided by the urgent needs of our residents. Our priorities remain clear: revitalizing Pacific Boulevard, enhancing Salt Lake Park, and advancing housing stability so every neighbor has a place to call home. Huntington Park is built by immigrant families who contribute every day to the strength of this city and ensuring that our community feels protected and supported is fundamental to our shared future. Meaningful change takes time, commitment, and collaboration, and I look forward to continuing that work together.”

Vice Mayor Jonathan A. Sanabria emphasized his commitment to principled leadership and collaboration in service to the community.

“I am honored to serve as Vice Mayor and to continue working alongside my colleagues to advance integrity, transparency, and accountability in city government,” said Vice Mayor Jonathan A. Sanabria. “Our responsibility is to strengthen public trust, protect our families, and ensure Huntington Park remains a city where residents feel heard, respected, and supported.”

The City Council’s reorganization reflects its ongoing commitment to responsive governance, collaboration, and policies that improve the quality of life for Huntington Park residents. The Mayor and Vice Mayor will serve in their respective roles for a one-year term.
